The Journal of the Costume Society

## EDITOR'S NOTE

This second Index has, once again, been compiled by Pat Poppy, Librarian to the Ordnance Survey, Southampton, and a member of the Costume Society since 1975. The whole membership is most grateful to her.

This time, she has covered vols. 1-26 of *COSTUME*, as well as our other publications, thus making available the papers read at the Costume Society Symposia of 1967-70 and 1973. They were:

La Belle Epoque	1967	(abbreviation BE)
High Victorian	1968	(HV)
Early Victorian	1969	(EV)
The So-Called Age of Elegance	1970	(AE)
Strata of Society	1973	(SS)

As with the earlier Index, there are three separate sequences — Author, Title and Subject. The Compiler hopes it will be of use to all those who study the Costume Society's publications.
